

WILMOT UNION HIGH SCHOOL DISTRICT

January 15, 2021

Good afternoon,

As we wrap up another week here at Wilmot Union High School, we ask that you take a moment to review the updates/reminders below:

1. **Information from Nurse Jarnigo:** Please review the [Wilmot Union High School Quarantine Policy Changes](#).
2. **Student Expectations and Grading during Quarantine:** Students are expected to continue their work in their classes through Google Classroom during this time. Please make sure that they are checking their emails and Google Classrooms each day that they are out. If for some reason they are unable to do so, make sure they arrange additional time with their teachers to make up the work. Students are still responsible for the work missed while they are out. You may see zeros in Skyward attached to missing assignments while on quarantine. The *missing next to the zero indicates that the work can still be completed and turned in.
3. **Grading:** As the semester comes to a close in a few weeks, please continue to check Skyward for grading information and encourage your child/ren to work with their teachers to complete their necessary work. Our teachers are working hard to ensure that students have opportunities to show their learning throughout these difficult times. Please partner with us by checking your student's progress and discussing a plan for success for the end of this semester.
4. **January 18-20:** We will follow our regular odd/even block day schedule on January 18 and 19. There will be no student attendance (virtual or in-person) on Wednesday, January 20.
5. **Wilmot Reading Challenge:** Looking for something good to read? Try the [Wilmot Reading Challenge](#)! Each month has a unique theme and a large list of books to choose from. Check out books at the [Wilmot Library](#), [The Community Library](#) as well as check out our [audio and ebook collection](#) to cross titles off the list! Email Mrs. Hammersmith at Hammersmithj@wilmoths.k12.wi.us if you have any questions.

6. **COVID-19 Dashboard:** Refer to our COVID-19 dashboard for updates regarding active COVID-19 cases/quarantines at Wilmot Union High School. Please take into consideration that this dashboard only includes staff members who are absent due to an active case of COVID-19 or personal quarantine due to COVID-19. Several of our staff members, like many of you, have to be home to care for a loved one due to illness, quarantine, or lack of childcare. Therefore, this dashboard is not an accurate depiction of ALL staff absences. [COVID-19 Dashboard](#)

Have a wonderful weekend, Panthers!
