

How to Buy Prom Tickets

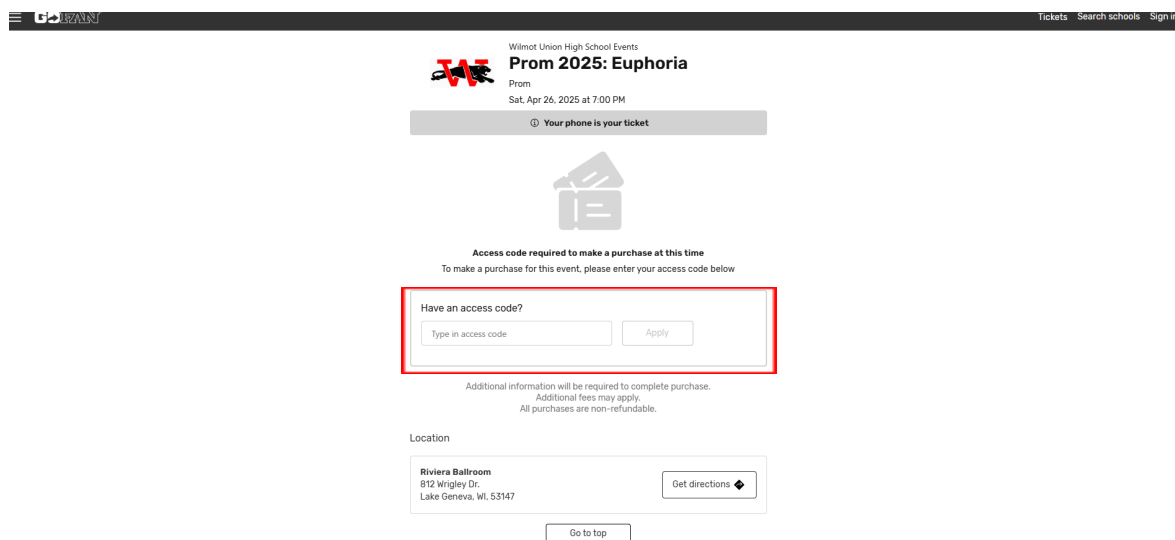

From the main page of the mobile app or GoFan.co, you can search for events by the school name.

Once you select a school, you can view all events from the school's GoFan page.

Next, choose **Buy Tickets** and enter the **Access Code** (student ID number or guest access code). Click **Add to cart** to continue.

After applying the correct access code, the registration will unlock and you'll be able to select a ticket.

The screenshot shows the 'Prom 2025: Euphoria' ticket selection interface. At the top, it says 'WUHS Couple Tickets (Outside Guest)' with a quantity of 0 and a price of \$70, noting it is 'Locked: access code required for purchase'. Below that, 'WUHS Couple Tickets (2 Wilmot Students)' also has a quantity of 0 and a price of \$70, but it is 'Unlocked with access code'. The third option is 'WUHS Student Ticket' with a quantity of 1 and a price of \$35, also 'Unlocked with access code'. At the bottom, there is a section 'Have an access code?' with a text input field and an 'Apply' button. Below this, it says 'Access codes applied'.

From your cart, click **Checkout**.

The screenshot shows the 'Review and buy' checkout page. On the left, there are two sections: 'Pay with a credit or debit card' with a 'Checkout as a guest' option and an email address input field, and 'Have an account already?' with a 'Sign in' button. On the right, the event details are shown: 'WUHS Student Ticket' with a quantity of 1 and a price of \$35.00. There is a 'Remove' button and an 'Add information' button. Below this, a red message states 'Additional information required' with fields for 'First name' and 'Last name'. At the bottom right, the subtotal is \$35.00, and the total is \$35.00. A footer note mentions the site is protected by reCAPTCHA and Google Privacy Policy.

You may be required to enter additional information to purchase your tickets, as determined by the managing school. Clicking on **Add Information** will open a pop-up. Click **Save** when all required fields are entered.

This screenshot shows the same 'Review and buy' checkout page as before, but with a modal pop-up open. The pop-up is titled 'Add information' and contains the text 'Please complete the information below. All fields are required unless otherwise noted.' It has two input fields for 'First name' and 'Last name', and 'Cancel' and 'Save' buttons at the bottom. The background checkout page is dimmed.
