# SCHOOL SAFETY & SECURITY

## 01 ENSURING SAFETY AND SECURITY

Safety and well-being of our students and staff are our top priorities. We are committed to fostering a secure learning environment through **proactive measures, community partnerships, and established safety protocols.**

## 02 ANONYMOUS TIP LINE: SPEAK UP, SPEAK OUT

Report any safety concerns through the Wisconsin Department of Justice's anonymous tip line: **Speak Up, Speak Out**. This confidential resource allows individuals to share concerns about threats, bullying, or other safety issues without fear of retaliation.

## 03 VIOLENCE PREVENTION AND THREAT ASSESSMENT

Our school follows the **Comprehensive School Threat Assessment Guidelines (CSTAG)** to prevent violence and address potential threats effectively. This evidence-based approach helps us assess and manage situations before they escalate, ensuring a safer school environment for everyone.

## 04 COUNTY RESOURCES & MENTAL HEALTH SUPPORT

We work closely with local county resources and organizations like **Care Solace** to provide mental health support for students and staff. We are committed to fostering a community where mental health is prioritized.

## 05 SCHOOL RESOURCE OFFICER (SRO) ON DUTY

Our dedicated School Resource Officer (SRO) is on campus to provide security, build positive relationships with students, and serve as a resource for **safety education and crisis response.**

## 06 REUNIFICATION PLAN IN CASE OF EMERGENCIES

In the event of an emergency requiring evacuation or relocation, we have a **Reunification Plan** in place to ensure students are safely returned to their families.

## 07 STANDARD RESPONSE PROTOCOL

We follow the Standard Response Protocol (SRP) developed by the **I Love U Guys Foundation**. This protocol standardizes our response to incidents such as **lockdowns, evacuations, and shelter-in-place situations**.

More information on SRP can be found [here](#).
