## 2024 SUMMER SCHOOL COURSE GUIDE

### SUMMER ENRICHMENT PROGRAM

JUNE 10, 2024

The Summer Enrichment courses will meet for the traditional six week summer school schedule. These courses will be made available to all students interested in pursuing credit acquisition. If a student misses three (3) days of summer school, teachers and administration reserve the right to drop the student from class. Three (3) tardies will equal one (1) absence.

Any 9<sup>th</sup>-12<sup>th</sup> grade student has the opportunity for credit acquisition.

#### Courses Offered:

- **Recreational Activities 1 & 2**
  - *\*Only 1 PE class per school year will count towards the PE requirement for graduation*
  - (PE credit/ receives letter grade)
- **Summer Fitness I & II** (elective credit only) / (graded pass or fail)
- **Jump Start Writing** (9<sup>th</sup> & 10<sup>th</sup> only) / (elective credit only) (receives letter grade)
- **Bridge to Spanish II** (elective credit only) (graded pass or fail)
- **Professional Seminar** (11<sup>th</sup> & 12<sup>th</sup> only) (elective credit only) (graded pass or fail)
- **Paw Prints**(Digital Design & Print) (elective credit only) (graded pass or fail)
- **Foundations of Leadership** (elective credit only) (graded pass or fail)
- **Beginning Sewing** (elective credit only) (graded pass or fail)
- **Electricity & Magnetism** (elective credit only) (graded pass or fail)
- **Science Survey & ACT Skill Builder** (elective credit only) (graded pass or fail)
- **CNC Router** (elective credit only) (graded pass or fail)
- **Ancient History** (elective credit only) (graded pass or fail)

### ACADEMIC IMPROVEMENT (ICR)

JUNE 10, 2024

A program designed to emphasize major concepts that are covered in the core courses using the APEX computer lab process. If a student misses three (3) days of summer school without pre-approval, teachers and administration reserve the right to drop the student from class. Three (3) tardies will equal one (1) absence.

*Any student has an opportunity to recover credit for a failed class(es). Up to 1 credit may be recovered during summer school.*

### OTHER OFFERINGS

The Summer Enrichment course will meet for three (3) weeks rather than the traditional six (6) week summer school schedule. An emphasis will be placed on courses outside of the traditional curriculum. If a student misses three (3) days of summer school, teachers and administration reserve the right to drop the student from class. Three (3) tardies will equal one (1) absence.

- **AcaDec Beginnings(Date TBA)**

*AcaDec Beginnings is a class meant to introduce the new theme for the upcoming competition year. Students will be able to apply many learning strategies to become a successful decathlete.*

## **COURSES OFFERED**

Every effort will be made to ensure you get at least one of your 1st or 2nd choices,

**BRIDGE TO SPANISH II-** The purpose of this course is to offer students an opportunity to increase their proficiency in speaking and writing in Spanish. Additionally, students will be able to practice using vocabulary and grammar. This course will help students have greater success in Spanish II.

(0.25 elective credit / graded pass or fail)

\*Prerequisite is Spanish 1 completion

**JUMP START WRITING (9<sup>th</sup> & 10<sup>th</sup> only) –** This course is here to help you become a confident writer! You will learn how to properly cite your sources, avoid plagiarism, create meaningful thesis statements and effectively do research on any topic.

(0.25 elective credit / receives letter grade)

**SUMMER FITNESS 1 and 2-** This course is designed to offer the student a wide variety of health enhancing physical fitness activities. Activities will include both anaerobic and aerobic workouts. Such activities will include weight lifting, body weight exercises, cardiovascular workouts (treadmill, bike, elliptical, track), and high intensity crossfit circuit workouts. An individual who elects to take this course must be highly motivated and ready to work hard day in and day out.

**SUMMER FITNESS 1:** 0.25 elective credit/ no PE credit / graded pass or fail

**SUMMER FITNESS 2:** 0.25 elective credit/ no PE credit / graded pass or fail

**INDIVIDUAL RECREATIONAL ACTIVITIES I-** Grades: 10-12 Prerequisites: PHY101

(Uniforms required) Individual and Recreational Activities I is a class that focuses on sports and games that the students can play throughout their lifetime. It will address the basic rules of play, scoring and safety. Sports to be covered will consist of, but are not limited to the following. Badminton, Volleyball, PickleBall, Archery, Horse Shoes, Baggo, Ladder Toss, Power walking, Aerobics, etc. This class will also involve the use of the fitness center for cardio and weight training. The students will be tested on the basic rules for safety and game play. They will also be evaluated on a daily basis on their ability to play the sports/activities to an acceptable level of competitiveness.

(0.5 PE credit)

**INDIVIDUAL RECREATIONAL ACTIVITIES II -** Grades: 10-12

Prerequisites: PHY101 & PHY307(Uniforms Required). Individual and Recreational Activities II will be a class that takes the sports and games that students can play for a lifetime, to the next level. This class will challenge the students to adapt sports and games to accommodate different class sizes, available space, and differing abilities. The students will have to know the specific rules, scoring, and safety aspects of the sports/activities. The students will be asked to invent a game or activity, as well as, adapt an activity for a specific situation. The students will also create a personal fitness program involving cardio and weight training. This class will include such sports as softball, kickball, eclipse ball, volleyball, bowling, etc. Individual and Recreational Activities II will enhance the student's problem solving skills as well as their critical thinking skills through the use of sports.

(0.5 PE credit)

**PAW PRINTS (Digital Design & Print)** - Students will be introduced to elements of desktop publishing, digital design, and print products for meaningful, authentic work experiences. Students will learn how to communicate with clients, and will use HP Click, Canva, and Adobe software to design, create, and produce real work for the school, community, and some personal use. (0.25 elective credit / graded pass or fail)

**FOUNDATIONS OF LEADERSHIP** - This class is for Sophomores, Juniors and Seniors to provide a basic intro to leadership by focusing on what it means to be a good leader. Topics of understanding leadership, leadership traits, recognizing leadership, engaging in people's strengths, creating a vision/ culture, public speaking and positivity. Bring in guest speakers. (0.25 elective credit / graded pass or fail)

**BEGINNING SEWING** - This class is for students of all grades looking to learn the basics of sewing, and want to take more advanced sewing classes as we rebuild the sewing program. Having students learn the basics of sewing allows those later classes to dive deeper into their content. The idea would be that this beginning sewing class will be the prerequisite for the other sewing classes. (0.25 elective credit / graded pass or fail)

**ELECTRICITY & MAGNETISM** - Students will experiment with simple circuits and eventually complex parallel & series circuits. Students will interpret word problems and use mathematical skills to solve real world electronics problems. Students will explore the relationship between electricity and magnetism with experiments and mathematical problem solving. (Prerequisite: Algebra 1 & Geometry) (0.25 elective credit / graded pass or fail)

**SCIENCE SURVEY AND ACT SKILL BUILDER** - This course has three main goals: 1) Giving students exposure to the major disciplines in science 2) Developing students' lab skills through frequent lab activities 3) Improve students' abilities on the skills necessary for the science portion of the ACT. Students in this course achieve those goals through participation in lab activities in a variety of disciplines. This class is open to all grade levels. (0.25 elective credit / graded pass or fail)

**CNC ROUTER** - The course would be for students who have passed Woods 1 that plan on taking Woods 2 and Cabinet & Furniture Making. The course would cover machine safety, learning the operating software for the machine, tooling, and jigs and fixtures. The goal of this course would be to give them the skillset to create more advanced projects. There will be a fee to this course based on materials used by the student. (0.25 elective credit / graded pass or fail)

**ANCIENT HISTORY** - A trip to Ancient Greece and Rome! Study the history, religion, and world of ancient peoples from Sumer(4500 BCE) to Rome(480 AD). (0.25 elective credit / graded pass or fail)
