- **FAFSA Completion Help:** The Wisconsin Department of Financial Institutions' Office of Financial Capability announces the following new opportunity. As part of the Wisconsin Coalition on Student Debt's equitable recovery grant, Fair Opportunity Project has launched a 1:1 FAFSA help service statewide. Students can sign up for a 45 minute virtual session with a trained FAFSA completion coach through this link:
 - [Student Services Interest Form](#)
 - This link is also available on our website: <https://www.fairoppportunityproject.org/for-counselors>
 - Counselors will be notified when students sign up so that we can keep them informed about the services their students are receiving and whether the student has successfully filed their FAFSA.
 - Background on the Program: We have assistance in Spanish, Bengali and Hindi as well as English. Students can also access mentoring, scholarship help, and free essay reviews by signing up.
 - Volunteers were recruited from Grant Thornton, one of the nation's largest CPA firms. Hence, these volunteers have strong financial training. We have 13 volunteers and approximately 20 hours of session times per week.
 - Volunteers completed a student confidentiality form and went through a 1 hour training with Mike Gawel. We are asking students to sign up with the Fair Opportunity Project using the Going Merry FAFSA tool so that we can follow up with students who don't submit the form or who may want follow-up contact for essay review, mentoring, or scholarship opportunities.
 - We compiled this [training packet](#) for volunteers, complete with follow-up instructions on documenting the session so that we know the status of the FAFSA effort.
 - We coordinate the scheduling and the meeting links and provide this [checklist](#) to students so that they know what to have ready for their session.

- We also notify the school counselor that the student has signed up for and then attended the session. Following the session, we send out a survey to the student.
 - We added incentives to create more buzz.
 - Students who complete their FAFSAs between December 1, 2022-April 15, 2023 will be entered into a drawing to:
 - Win one of 5 iPads (9th gen, \$329 value);
 - Win one of 15 sets of Milwaukee Brewers or Bucks tickets;
 - Win one of 2 \$100 Edvest 529 college savings gift cards.
 - Win one of 5 \$1,000 scholarships for college
 - **PLUS:** The Wisconsin high school with the largest FAFSA completion percentage increase from last year (ending June 30, 2022) to this year's cycle (as of April 15, 2023) will win \$5,000 in education-related supplies and materials and an all-school pizza party in May.
