Athletic Information and Announcements

Sectional finals tonight against Central! Game is at Lake Geneva Badger HS at 6:00 p.m. The field is located behind the high school, next to the varsity baseball field (where the boys played their sectional games last year).

The team would like to thank everyone that came out and showed their support yesterday in our 5-0 win over Janesville Craig—it was awesome! Hope to see everyone tonight as we try to earn the school's first state softball tournament berth in 20 years.
