

WILMOT UNION HIGH SCHOOL DISTRICT

PRESS RELEASE

May 23, 2019

FOR IMMEDIATE RELEASE

Today, Thursday, May 23, 2019, Wilmot Union High School, in conjunction with the Kenosha County Sheriff's Department K-9 Unit and other area law enforcement agencies, conducted a K-9 assisted search of our parking lots, school lockers, and randomly selected classrooms. During this search, students did not come into contact with the dogs and were moved to another room if their classroom was randomly selected. These searches are conducted in an effort to keep students and staff safe and reinforce the message that drugs and alcohol are not tolerated at Wilmot Union High School. If you have any questions regarding today's K-9 search, please don't hesitate to ask.

Thank you,

Amber Torres

Principal
