A MESSAGE FROM OUR PRINCIPAL:

BACK TO SCHOOL

Dear Students, Parents, and Staff,

As we approach the beginning of another academic year, I want to extend a warm welcome to each and every one of you. Whether you're returning students or a new student I am excited to embark on this journey of learning and growth together. Wilmot is more than just a building; it's a community where we come together to explore, discover, and inspire. I am looking forward to my second year at Wilmot and am excited for another wonderful school year.

This year, our focus remains on providing an exceptional education that not only equips our students with knowledge but also nurtures their creativity, critical thinking, and character. Our dedicated team of educators is committed to fostering an environment where curiosity thrives, and every student feels valued and empowered. As we continue to transition to Standards Based Grading we feel that we are able to help support all students to ensure academic success.

Students, I encourage you to approach this year with an open mind and a positive attitude. Embrace new challenges, ask questions, and take the initiative to make the most of your time here. Remember, your education is a journey, and each step you take brings you closer to your dreams.

Parents and guardians, your partnership is invaluable to us. We appreciate your trust in us to guide and support your children's educational journey. We promise to keep the lines of communication open and work together to create the best possible learning experience for your children.

As we start this new chapter, let's keep in mind that learning goes beyond the confines of the classroom. Let's embrace the opportunities for personal growth, community involvement, and the development of lifelong skills.

I look forward to seeing familiar faces and getting to know the new members of our school community. Together, we will make this year one of achievement, discovery, and memorable moments. Here's to a successful and enriching school year ahead!
