

The Wilmot High School Athletic Department would like to welcome you to the 2017-18 school year. All fall sports will be starting up very soon and we wanted to send out some information and dates that will be very important for everyone.

1. **Athletic Registration**: All athletes must be registered to participate in athletics prior to the 1st day of their sport. Registration is online and can easily be found on the school website (wilmothighschool.com) by clicking on the Registration tab under the Athletic/Activities pull down menu.
