

Wilmot Union High School

Network and Internet Access Agreement

This agreement is entered into on (date) _____ between (student/employee) _____ and the Wilmot Union High School District. The purpose of this agreement is to provide Network and internet access, hereinafter referred to as Network, for educational purposes. As such, this access will assist in the collaboration and exchange of information, facilitate personal growth in the use of technology, and enhance information gathering and communication skills. **The use of District Network resources are for academic support and enhancement of general information and research only.** The intent of this contract is to ensure that the user will comply with all Network and internet acceptable policies approved by the District.

In exchange for the use of the Network resources either at school or away from school, I understand and agree to the following:

- A. The use of the Network as part of an education program is a privilege, not a right, and inappropriate or unauthorized use of safety violations will result in revocation or suspension of that privilege.
- B. The District Network will periodically make determinations of whether specific uses of the Network are consistent with the acceptable-use practice. The District and/or Network reserve the right to log internet use and to monitor electronic mail space utilization by users.
- C. The District reserves all rights to any material stored in files which are generally accessible to others and will remove any material which the District believes may be unlawful, obscene, pornographic, abusive, or otherwise objectionable. Users will not use their District approved computer account/access to obtain, view, download, or otherwise gain access to such materials.
- D. All information services and features contained on the Network are intended for the private use of its registered users.
- E. All users should expect to lose computer access for the following:
 - a. Disrupting equipment or system performance.
 - b. Entering the system using another individual's access code or for entering the account of another user.
 - c. Entering internet sites unrelated to the education goals of the school.
 - d. Gaining or attempting to gain access to the school's central computer files.
 - e. Attempting to illegally enter any off site computer system or file.
 - f. Malicious use of the Network through hate mail, harassment, cyber bullying, profanity, vulgar statements or discriminatory remarks.
 - g. Unauthorized copying or use of licensed or copyrighted software.
- F. The District Network does not warrant that the functions of the system will meet any specific requirements the use may have, or that it will be error free or uninterrupted; not shall it be liable for direct, indirect, or consequential damages (including lost date, information, or time) sustained or incurred in connection with the use, operation, or inability to use the system.

In consideration for the privileges of using the District Network resources, and in consideration for having access to the information contained on the Network, I hereby release the District, the Network provider, and their operators and administration from any and all claims of any nature arising from my use, or inability to use the District Network resources.

I agree to abide by such rules and regulations of system usage as listed here and provided in the WUHS Student Handbook and within the WUHS School Board Policy.
