

WILMOT UNION HIGH SCHOOL

2019/2020 Early Graduation Request

Students who elect to graduate after 7 semesters of course work are eligible to do so under the following conditions:

- This application is completed and submitted to the Principal of WUHS for approval **prior to September 1st**.
- The student will fulfill all graduation requirements by Semester 1 of his/her senior year
 - In order to fulfill the 1.0 Credit Senior Literature and Composition requirements, the student applying for early graduation must take 1st semester Senior Literature & Composition and English writing course OR 2nd semester Senior Literature & Composition in Summer School or on APEX.

After careful consideration I am applying to graduate after seven (7) semesters of course work.

I have met with my counselor, and I understand the requirements necessary for early graduation. I also understand that if my application is approved, I will no longer be eligible to participate in extra-curricular activities held after the January early graduation date and sponsored by or associated with Wilmot Union High School.

I understand that I may participate in commencement ceremonies, should I choose to do so.

Student Name _____

Student Signature _____

Parent Signature _____

I verify that the above student has met with me to discuss his/her post high school plans and the manner in which early graduation will benefit him/her. In addition, at the end of the seventh (7th) semester the student will have successfully completed all course work required for graduation and will have earned a minimum of 24 credits.
